After School Services (Tutoring, Study Hall, Homework detention). In 2018-2019 we began limited testing of tutoring hours after school. We are currently working on developing and expanding this offering but do not yet have the details finalized. These fee based programs will run in parallel to the afterschool care program, offering varying degrees of academic support.

Please note below if there is any other information you would like us to have.

Note that your signature below signifies your agreement, if your child is re-enrolled, to pay tuition, follow the school handbook and also abide by any updates to the handbook released in the summer of 2019. (Key anticipated updates are outlined on the reverse side of this document)

Tuition payments must be up-to-date. If there are any questions about these issues you will be contacted before your application is processed.*

<sup>ii</sup> *The application fee of \$50.00 for each child is non-refundable. Applications received by or before May 30, 2019 will receive 50% off. (\$25/student).*

<sup>iii</sup> *Note, the Parent Service Program deposit will be fully (or partially at \$20/hr.) refunded at the end of the school year if the family performs and records 20 hours of Parent Service Activities.*
