White Horse Academy High School (9-12<sup>th</sup> grade)**

**White Horse Academy (WHA) exists to serve those students looking for a religiously based education which challenges them to take responsibility for their learning and growth.**

WHA seeks the growth of the whole student. We challenge students to take responsibility for their education and develop skills in planning, organizing and executing which serve them for a lifetime.

- ◆ *Agency* through program design and choice.
- ◆ *Wisdom*, through accountability to themselves and their mentors.
- ◆ *Proficiency*, through practice in real-world settings.

***We are committed to developing the whole child: spiritual, emotional, moral, cognitive and physical.***

Applicants are welcome into any grade 9-12th, but both students and their parents must demonstrate their commitment to taking charge of their educational experience. Our application to high school includes written responses (from parent and student) and an interview with the program coach.
