Enroll Your Child in our Kindergarten Program!

Our program provides an excellent environment and education that facilitates a gentle transition from home to school and protects a young child's innocence.

We are committed to developing the whole child: spiritual, emotional, moral, physical and cognitive.

For the 2023-2024 school year, we welcome children who are four years old by September 1st to the Junior Kindergarten. Children who turn five by September 1st can enroll in the regular Kindergarten program. Parents may choose the half day program, which covers all academic preparation for the child's next year, or they may choose the full day program, which adds enrichment activities in the afternoon. Class size is limited to ensure individual attention. A discount of the registration fee will be applies to applications received before May 31, 2023
