## The Washington New Church School

---

---

July 28, 2023

Dear Parent,

Summer greetings to parents and students! Preparations are well underway for the upcoming 2023/24 school year at Washington New Church School even though there is still another month of summer to enjoy.

Please read the following carefully. In several cases there are documents that we need you to sign and return.

***Handbook Updates:***

With this mailing you will find our most recent handbook. Each year it remains similar to previous years. However, I encourage you to read it through thoroughly at least once and keep it handy for reference throughout the year when questions come up.

***Uniform Updates:***

We have tightened up the uniform policy again (it was looser during the disruption of the pandemic). This mailing includes a quick reference guide on the uniform, including pictures of clothing that meets the standards and a more thorough treatment under "WNCS Uniform Policy" in the handbook.

We have also decided to stock and directly sell all of our logoed polo shirts, cardigans and warmups. This decision aims to reduce the stress and aggravation that many parents reported in dealing with the late deliveries from vendors. All the pieces without a logo must still be purchased from stores that sell uniform compliant clothing. We will let you know when the order comes in so that you can purchase the logoed items from the school.

We gratefully received outgrown uniforms that are still in good condition, and we make these available and reduced prices.

***Golf Clubs:***

We're excited about offering an upper grade PE unit on golf. If you have any bags or clubs that you could lend for the fall term, this would be much appreciated.

***Upcoming Mailings:***

The next mailings you should expect will be electronic. These will include two groups: 1) updated health inventory, field trip permission, photo permission, dismissal arrangements, coming from Bonnie. 2) From myself, you will receive tuition information, a tuition invoice and a parent agreement form (if not already signed).

Warmly,

Brian Smith, Principal
