

SUMMER READING PROGRAM
Third and Fourth Grades

Any book that helps a child to form a habit of reading, to make reading one of his needs, is good for him. —Maya Angelou

Reading is an essential skill and can be a deeply rewarding activity. It requires continual reinforcement and students need to keep reading over the summer to prevent the loss of skills and fluency acquired during the school months.

Students going into the third and fourth grades must read three books over the course of the summer. They may choose their own books, but they should be at the appropriate skill level. They will need to complete the form below on the books they read. Please initial the form at the bottom after it is completed. Students are welcome to add any extra books on the back of this form or on additional pages. This form is due the **first week of school**.

Enjoy your summer and happy reading!
Mrs. Anne Ball

Use complete sentences for your descriptions of what you liked about your book. Write on the back if you need more space.

Student's Name: _____

Title: _____

Author: _____ Number of Pages: ____

Tell us what you liked about the book. _____
